Journal of Visual Impairment & Blindness
VOLUME 99, 2005

INDEX
SUBJECTS and NAMES

ABUSE
Experiences of Childhood Sexual Abuse among Visually Impaired Adults in Norway: Prevalence and Characteristics—January 5–14

ACCESSIBILITY
American Foundation for the Blind Tech Wins $1 Million to Combat Access Barriers—March 184
Art Access Conference—June 372–374
Crossroads: Modern Interactive Intersections and Accessible Pedestrian Signals—October 599–610
Educational Technology and Service Providers Form Partnership—November 725
Modern Roundabouts: Access by Pedestrians Who Are Blind—October 601–621
A Report on a Novice User's Interaction with the Internet through a Self-voicing Application—January 40–54
Representing Graphical User Interfaces with Sound: A Review of Approaches—February 69–84

ACCESSIBLE PEDESTRIAN SIGNALS (APS)
Blind Pedestrians and Changing Technology and Geometry of Signalized Intersections: Safety, Orientation, and Independence—October 587–598
Crossroads: Modern Interactive Intersections and Accessible Pedestrian Signals—October 599–610
Modern Roundabouts: Access by Pedestrians Who Are Blind—October 601–621

ADJUSTMENT TO BLINDNESS
The Greatest Generation Meets Its Greatest Challenge: Vision Loss and Depression in Older Adults—April 197–208
Optimism, Social Comparisons, and Coping with Vision Loss in Israel—March 151–164

ADOLESCENTS
Promoting Walker-assisted Step Responses by an Adolescent with Multiple Disabilities through Automatically Delivered Stimulation—February 109–113
Self-esteem and Empathy in Sighted and Visually Impaired Preadolescents—May 276–285

AGENCIES FOR THE BLIND
Agency-University Collaboration to Improve Vision Rehabilitation—July 438–439
A New Book in the Critical Concerns in Blindness Series—November 729
Discrimination suit wins $3 million—December 781

AGING
The Greatest Generation Meets Its Greatest Challenge: Vision Loss and Depression in Older Adults—April 197–208
Impact of a Vision Intervention on the Functional Status of Nursing Home Residents—February 96–108
Information for Seniors with Low Vision—May 318
Seminar on Enhancing Services for Older Adults with Visual and Hearing Impairments—June 374

AMBROSE-ZAKEN, GRACE
Knowledge of and Preferences for Long Cane and Components: A Qualitative and Quantitative Study—October 633–645

AMERICAN FOUNDATION FOR THE BLIND (AFB)
AFB Study Seeks to Uncover How Environment Impacts Level of Exercise—April 248
American Foundation for the Blind Tech Wins $1 Million to Combat Access Barriers—March 184
A Classic for Itinerant Teachers Revised for the 21st Century—March 186
Election—February 121

©2005 AFB, All Rights Reserved

First Book on Autism Spectrum Disorders and Visual Impairment—June 375
Functional Vision: A Practitioner's Guide to Evaluation and Intervention. Amanda Hall Lueck, Editor. New York: AFB Press, 2004. 541 pages. $59.95. Reviewed by Randy Jose—July 437–438
Itinerant Teaching: Tricks of the Trade for Teachers of Students with Visual Impairments, Second Edition. Jean E. Olmstead. New York: AFB Press, 2005. 320 pages. $39.95. Reviewed by Juliet Prowse—August 504–506
Resource for College-bound Students—July 441

AMERICAN PRINTING HOUSE FOR THE BLIND (APH)
Free Font for People with Low Vision—February 122–123
Hall of Fame Inducts Four New Members—July 439–440
Nominations Are Invited for Hall of Fame—February 121

AMERICANS WITH DISABILITIES ACT (ADA)
Crossroads: Modern Interactive Intersections and Accessible Pedestrian Signals—October 599–610
Judge Overturns Decision to Deny Day Care Licensure to People Who Are Blind, Cites ADA—June 372
Mississippi State University Invites Participation in an ADA Survey—April 248–249
Modern Roundabouts: Access by Pedestrians Who Are Blind—October 601–621
Resolutions of ADA Title I Cases Involving People Who Are Visually Impaired: A Comparative Analysis—August 453–463

ANDERS, BRENT A.
A Report on a Novice User's Interaction with the Internet through a Self-voicing Application—January 40–54

ANTLE, BEVERLEY J.
In the Darkness There Can Be Light: A Family's Adaption to a Child's Blindness—April 209–218

APPOINTMENTS
Appointment—July 440, October 671, November 726–727
Appointments—August 506–507, September 568–569

ARMBRUSTER, JENNIFER
The National Sports Education Camps Project: Introducing Sports Skills to Students with Visual Impairments through Short-term Specialized Instruction—November 685–695

ASHKENAZY, EYAL
Emotional Status and Development in Children Who Are Visually Impaired—August 478–485

ASHMEAD, DANIEL H.
Modern Roundabouts: Access by Pedestrians Who Are Blind—October 601–621

ASSESSMENT
Establishing Mobility Measures to Assess the Effectiveness of Night Vision Devices: Results of a Pilot Study—October 663–670
Improving Measured Outcomes through Quality-driven Programming—November 681
Use of Digital Video to Assess Orientation and Mobility Observational Skills—October 646–658

ASSISTIVE TECHNOLOGY
Assistive Technology Newsletter—March 186
Bank Account Management Program—November 727
Digital Players for Digital Talking Books—July 442
Electronic Devices for People Who Are Deafblind—August 509
Establishing Mobility Measures to Assess the Effectiveness of Night Vision Devices: Results of a Pilot Study—October 663–670
Exceptional Teaching Aids Changes Its Name—May 317
Free Wayfinding Training with a GPS Device—October 672
Lease-to-own Option for Window-eyes Screen Reader—September 570–571
A Master Trainer Class for Professionals in Teaching the UltraCane Electronic Travel Device—November 711–715
New Tools for Travelers—November 727
New Version of Talking Toolbox—September 571
Personal Guidance System for People with Visual Impairment: A Comparison of Spatial

 ©2005 AFB, All Rights Reserved

Displays for Route Guidance—April 219–232
Printer That Produces Print, Braille, and Tactile Graphics—July 441–442
A Report on a Novice User's Interaction with the Internet through a Self-voicing Application—January 40–54
Technology News from Western Michigan University—May 316

ATTITUDES TOWARD BLINDNESS
Castrating Depictions of Visual Impairment: The Literacy Backdrop to Eugenics—March 141–150
Changing the Public's Attitude Toward Braille: A Grassroots Approach—March 133–140
The Greatest Generation Meets Its Greatest Challenge: Vision Loss and Depression in Older Adults—April 197–208

AUSTIN, DOUGLAS VICTOR
Death—October 671–672

AUSTRALIA
Australia Adopts Unified English Braille Code—June 371–372
Multiculturalism and Students with Visual Impairments in New South Wales, Australia—June 345–354
Unified English Braille: Australians Blazing the Trail—September 517–519

AUTISM
First Book on Autism Spectrum Disorders and Visual Impairment—June 375

BARLOW, JANET M.
Blind Pedestrians and Changing Technology and Geometry of Signalized Intersections: Safety, Orientation, and Independence—October 587–598
Crossroads: Modern Interactive Intersections and Accessible Pedestrian Signals—October 599–610

BELKNAP, GABRIELLE
Changing the Public's Attitude Toward Braille: A Grassroots Approach—March 133–140

BENTZEN, BILLIE LOUISE
Blind Pedestrians and Changing Technology and Geometry of Signalized Intersections: Safety, Orientation, and Independence—October 587–598

BEN-ZUR, HASIDA
Optimism, Social Comparisons, and Coping with Vision Loss in Israel—March 151–164

BERGSTROM, A. RENEE
Efficacy of a Low Vision Patient Consultation—July 426–430

BESDEN, CHERYL
Crossing Guards: A Safety Patrol Program at a Residential School for Students Who Are Blind or Visually Impaired—April 239–242

BINA, MICHAEL J.
Appointment—July 440, October 671

BLANKENSHIP, KAREN E.
Highly Qualified Professionals—November 680

BLASCH, BRUCE
A Master Trainer Class for Professionals in Teaching the UltraCane Electronic Travel Device—November 711–715

BLEDSOE, C. WARREN
Death—April 249–250

BOERNER, KATHRIN
Social Support and Well-being in Adults Who Are Visually Impaired—September 521–534

BOGART, DARLEEN
Selected Findings from the First International Evaluation of the Proposed Unified English Braille Code—April 233–238

BOLT, DAVID
Castrating Depictions of Visual Impairment: The Literacy Backdrop to Eugenics—March 141–150

BOND, TAMARA
Blind Pedestrians and Changing Technology and Geometry of Signalized Intersections: Safety, Orientation, and Independence—October 587–598

BOOK REVIEWS
Functional Vision: A Practitioner's Guide to Evaluation and Intervention. Amanda Hall Lueck, Editor. New York: AFB Press, 2004. 541 pages. $59.95. Reviewed by Randy Jose—July 437–438
Helen Keller: Selected Writings. Kim E. Nielsen, Editor. New York: New York Uni-

versity Press, 2005. 307 pages. $35.00. Reviewed by M. Cay Holbrook—September 565–566

Itinerant Teaching: Tricks of the Trade for Teachers of Students with Visual Impairments, Second Edition. Jean E. Olmstead. New York: AFB Press, 2005. 320 pages. $39.95. Reviewed by Julie Prause—August 504–506

BOOKS AND BOOKLETS

Book on Communication and Students with Severe Disabilities—August 508

Book on Visual Impairment and Sport—September 571

Booklet on Telecommunications and People with Disabilities—September 571

CEC Interprets IDEA Requirements for Special Education Teachers—April 251

A Classic for Itinerant Teachers Revised for the 21st Century—March 186

Digital Audio Books to Be Delivered in Installments—January 60

Digital Players for Digital Talking Books—July 442

First Book on Autism Spectrum Disorders and Visual Impairment—June 375

Functional Vision: A Practitioner's Guide to Evaluation and Intervention. Amanda Hall Lueck, Editor. New York: AFB Press, 2004. 541 pages. $59.95. Reviewed by Randy Jose—July 437–438

Social Support and Well-being in Adults Who Are Visually Impaired—September 521–534

CIVIL RIGHTS
Civil Rights Legislation—November 678–680

COGNITIVE DEVELOPMENT
Emotional Status and Development in Children Who Are Visually Impaired—August 478–485
Visual Attention to Movement and Color in Children with Cortical Visual Impairment—July 389–402

COHEN, AYALA
Emotional Status and Development in Children Who Are Visually Impaired—August 478–485

COHEN-MAITRE, STACY ANN
Visual Attention to Movement and Color in Children with Cortical Visual Impairment—July 389–402

COLLEGES AND UNIVERSITIES
Guide for Facilitating Transition to College—November 727–728
Missouri State University Launches Grant-funded Project—December 780
Technology News from Western Michigan University—May 316

COMMENTS
Medicare Coverage for Orientation and Mobility Services—October 584–586
Starting My Own Small Business—September 519–520
Unified English Braille: Australians Blazing the Trail—September 517–519

COMMUNICATION SKILLS
Book on Communication and Students with Severe Disabilities—August 508

COMPUTERS
Representing Graphical User Interfaces with Sound: A Review of Approaches—February 69–84

CORBETT, MICHAEL D.
A Master Trainer Class for Professionals in Teaching the UltraCane Electronic Travel Device—November 711–715

CORTES, TARA A.
Appointments—August 506–507

CORTICAL VISUAL IMPAIRMENT (CVI)
Visual Attention to Movement and Color in Children with Cortical Visual Impairment—July 389–402

COUNCIL FOR EXCEPTIONAL CHILDREN (CEC)
CEC Interprets IDEA Requirements for Special Education Teachers—April 251

CROW, NITA
Crossing Guards: A Safety Patrol Program at a Residential School for Students Who Are Blind or Visually Impaired—April 239–242

CRUDDEN, ADELE
Overcoming Barriers to Employment: Strategies of Rehabilitation Providers—June 325–335

CYLKE, FRANK KURT
Awards—August 507–508

D'ANDREA, FRANCES MARY
The Mountbatten Pro: More Than Just an Electronic Brailler—February 115–118

DAY, JANICE NEIBAUR
The Efficacy of Family Camp Experience for Families Who Have Children with Visual Impairments—December 775–779

DEAF-BLINDNESS
The Application of Werner and Kaplan's Concept of "Distancing" to Children Who Are Deaf-Blind—August 464–477
DVD Materials on Blindness, Deafness, and Deaf-Blindness—June 376
Electronic Devices for People Who Are Deaf-blind—August 509

DEATHS
In Memoriam, Alan J. Koenig (1954–2005)—March 130
Death—February 118–120, April 249–250, July 440–441, August 508, September 570, October 671–672, December 780

DEBI, ZOHARIT
Optimism, Social Comparisons, and Coping with Vision Loss in Israel—March 151–164

DEPRESSION
The Greatest Generation Meets Its Greatest Challenge: Vision Loss and Depression in Older Adults—April 197–208

In the Darkness There Can Be Light: A Family's Adaption to a Child's Blindness—April 209–218
Social Support and Well-being in Adults Who Are Visually Impaired—September 521–534

DIABETIC RETINOPATHY
Symposium on Diabetes-related Vision Loss—August 506

DIGITAL BOOKS
Digital Audio Books to Be Delivered in Installments—January 60
Digital Players for Digital Talking Books—July 442

DISCRIMINATION
Fired Agency Director Awarded $3 Million—December 780

DOG GUIDES
Blind Pedestrians and Changing Technology and Geometry of Signalized Intersections: Safety, Orientation, and Independence—October 587–598
Crossroads: Modern Interactive Intersections and Accessible Pedestrian Signals—October 599–610
Free Wayfinding Training with a GPS Device—October 672
Street Crossings: Analyzing Risks, Developing Strategies, and Making Decisions—October 659–663
The Winding Valley of Grief: When a Dog Guide Retires or Dies—June 368–370

DRIVING
Driver Behavior in Yielding to Sighted and Blind Pedestrians at Roundabouts—May 286–302

DRUGS, PRESCRIPTION
Drug Treatment Said to Improve Vision of Those with Macular Degeneration—November 725–726
New Drug Approved to Treat Wet Age-Related Macular Degeneration—January 55
Reference Guide to Ophthalmic Medicines—November 728

DUMMER, GAIL M.
Perceived Competence of Children with Visual Impairments—January 15–25

EDUCATION
Civil Rights Legislation—November 678–680
A Classic for Itinerant Teachers Revised for the 21st Century—March 186
Educational Technology and Service Providers Form Partnership—November 725
The Effects of NCLB—November 681–683
Fellows Selected for Doctoral Study Program—September 567
Fellowships for Doctoral Study—March 183–184
Highly Qualified Professionals—November 680
Improving Measured Outcomes through Quality-driven Programming—November 681
International Program for Young Canadian Professionals—February 121–122
Japanese Exchange Program on Disabilities—February 122
The National Sports Education Camps Project: Introducing Sports Skills to Students with Visual Impairments through Short-term Specialized Instruction—November 685–695
An Opportunity Slipping Away?—November 677–678
Orientation for People New to the Blindness Field—August 506
Students with Visual Impairments in a Dual-language Program: A Case Study—November 715–720
Symposium on Diabetes-related Vision Loss—August 506
Teaching Oral Hygiene Skills to Elementary Students with Visual Impairments—January 26–39
Technology News from Western Michigan University—May 316

ELECTIONS
Election—February 121
Elections—April 250
RNIB Targets Those up for Reelection—May 316–317

ELECTRONIC TRAVEL DEVICES
Establishing Mobility Measures to Assess the Effectiveness of Night Vision Devices: Results of a Pilot Study—October 663–670
A Master Trainer Class for Professionals in Teaching the UltraCane Electronic Travel Device—November 711–715

©2005 AFB, All Rights Reserved

Personal Guidance System for People with Visual Impairment: A Comparison of Spatial Displays for Route Guidance—April 219–232

ELGIN, PETER D.
A Report on a Novice User's Interaction with the Internet through a Self-voicing Application—January 40–54

EMERSON, ROBERT WALL
Human Factor Analysis of Long Cane Design: Weight and Length—October 622–632
Materials Testing in Long Cane Design: Sensitivity, Flexibility, and Transmission of Vibration—November 696–706
Modern Roundabouts: Access by Pedestrians Who Are Blind—October 601–621

EMPATHY
Self-esteem and Empathy in Sighted and Visually Impaired Preadolescents—May 276–285

EMPLOYMENT
American Foundation for the Blind Tech Wins $1 Million to Combat Access Barriers—March 184

Fellowships for Doctoral Study—March 183–184
Fired Agency Director Awarded $3 Million—December 780
Getting in Touch with Literacy—October 671
Hall of Fame Inducts Four New Members—July 439–440
International Program for Young Canadian Professionals—February 121–122
Japanese Exchange Program on Disabilities—February 122
Judge Overturns Decision to Deny Day Care Licensure to People Who Are Blind, Cites ADA—June 372
Mississippi State University Invites Participation in an ADA Survey—April 248–249
Missouri State University Launches Grant-funded Project—December 780
Museum Offers Tours for People with Visual Impairments—September 568
New Drug Approved to Treat Wet Age-Related Macular Degeneration—January 55
New Symposium in Spring 2005—January 60
NFB Launches National Center for Mentoring Excellence—April 247–248
Nominations Are Invited for Hall of Fame—February 121
Orientation for People New to the Blindness Field—August 506
Personnel Change—May 317
Personnel Changes—November 726
Retirement—February 120–121
RNIB Targets Those up for Reelection—May 316–317
Seminar on Enhancing Services for Older Adults with Visual and Hearing Impairments—June 374
Student Transition Program in California Receives Funding—January 55, 59
Students Win the Braille Challenge—September 568
Symposium on Diabetes-related Vision Loss—August 506
Technology News from Western Michigan University—May 316

GALLIMORE, DESIREE P. M.
Multiculturalism and Students with Visual Impairments in New South Wales, Australia—June 345–354

GELLHAUS, MARVA
Perceptions of Effective Leadership in Schools for Students with Visual Impairments: A National Study—May 261–275

GERUSCHAT, DUANE R.
Driver Behavior in Yielding to Sighted and Blind Pedestrians at Roundabouts—May 286–302

GOLLEDGE, REGINALD G.
Personal Guidance System for People with Visual Impairment: A Comparison of Spatial Displays for Route Guidance—April 219–232

GREENBERG, MAYA DELGADO
Crossing Guards: A Safety Patrol Program at a Residential School for Students Who Are Blind or Visually Impaired—April 239–242

GRIFFIN-SHIRLEY, NORA
Self-esteem and Empathy in Sighted and Visually Impaired Preadolescents—May 276–285

GROENEWEG, JOP
Enabling a Girl with Multiple Disabilities to Control Her Favorite Stimuli through Vocalization and a Dual-microphone Microswitch—March 179–182

GUTH, DAVID A.
Modern Roundabouts: Access by Pedestrians Who Are Blind—October 601–621

HADLEY, WILLIAM A.
Hall of Fame Inducts Four New Members—July 439–440

HAERICH, PAUL
Visual Attention to Movement and Color in Children with Cortical Visual Impairment—July 389–402

HALLIDAY, JIM
Appointment—November 726–727

HANSEN, DIANE
Starting My Own Small Business—September 519–520

HAPTIC PERCEPTION
The Copying of Complex Geometric Drawings by Sighted and Visually Impaired Children—December 765–774

HASSAN, SHIRION E.
Driver Behavior in Yielding to Sighted and Blind Pedestrians at Roundabouts—May 286–302

HATHAWAY, JULIE C.
Efficacy of a Low Vision Patient Consultation—July 426–430

HEALTH AND EYE CARE
Teaching Oral Hygiene Skills to Elementary Students with Visual Impairments—January 26–39

HEARING IMPAIRMENT
DVD Materials on Blindness, Deafness, and Deaf-Blindness—June 376
